- Page layouts will be created using the elemets withing the theme demo

QUOTE

Note:

- Logo, photos, videos & content to be provided by the client.

- Domain name & hosting is already available with the client.
  If any upgrades are required, client will have to coordinate with the hosting service provider.

- Access to the backend is required.

- Once the theme is purchased, it cannot be returned/refunded.
  If the client is purchasing the theme, they will need to provide the login account details (themeforest) in case developer support needs to be contacted.

- For additional features (if required) we will first try to find FREE plugins.
  If it is not available, we will then search for PAID plugins to be purchased by the client.

- Basic SEO will be done. Cannot guarantee position in google search.
  Client can tinker with the SEO setting/content after website is handed over.
  SEO is an ongoing continuous process. Organic growth is key.

- The above mentioned fee is a ONE TIME FEE.
  Website will be made live and handed over to the client.
  Client will be tutored on how to update content.

- Turnaround time is around 2 weeks from the time all the content is received.
  First draft will be submitted in 3 days from the time all content is received.

- 50% advance payment is to be made.
  Balance 50% after the website is completed, before handing over.

- Account number will be provided for online fund transfer.
  PAN number will be provided and client can deduct TDS.
